The Palace, Mysore,

5th April 1922.

My dear Raja Sahib,

I sent you a telegram yesterday as follows, with reference to your letter of the 29th March:-

"His Highness proposes starting 24th from here arriving Simla 28th. Am sending advance party in a few days. Are any houses available close to Jammu Castle for rent ?"

His Highness is anxious to know the exact accommodation available in the Bungalow, or if a house can be rented, as on it depends the strength of the party.

He has decided to leave this a little earlier that is on the 24th Instant, instead of the 1st May, so that we shall reach Simla on the 28th afternoon sometime, I suppose, between 3 and 4 . I am, of course, arranging a special Rail Motor. I will let you know the exact time of arrival later. I am sending the advance party in two or three days. They will, I hope, relieve you of a good deal of worry and trouble in getting the house ready.

With kindest regards,

Yours ever,

M
